

# Physiotherapist with extensive experience as a sports masseur

Belgian Triathlon (Be3) is opening a vacancy for "physiotherapist for the national team triathlon" with the following profile:

## OVERVIEW

The physiotherapist is responsible for taking care of our elite athletes at the most important races and international championships in their road to Paris 2024. In addition, the physiotherapist also supports our national manager during these missions with logistics and coaching during the races. This concerns a total of about 10 races on an annual basis in the period March-September. This job involves about 60 days abroad.

## FUNCTIONS

- You will be responsible for taking care of our elite athletes before and after their competitions:
  - o Sports massage is the main focus ;
  - o Relaxing muscles and using physical therapy as needed ;
  - o Applying other forms of recovery where necessary (ice bath, Normatec,...).
- You are responsible for the medical supervision (first aid, covid prevention, contact with federal doctor).
- You support the national manager with all logistical tasks during the mission.
- You support the national manager in guiding the athletes before, during and after the competition.
- You regularly consult with the physiotherapists, doctors of our elite athletes and ensure direct communication with our national manager.

## DEGREES AND QUALIFICATIONS

- Degrees and/or certificates in physical therapy and sports care/massage.
- Practical knowledge of English (Dutch and French are a great asset).
- Added value but not a must: knowledge of triathlon.

## EXPERIENCE

- Experience as a physiotherapist within elite sports.
- Experience in international competitions.

## KWALITEITEN

- Team-player
- You can work in autonomy
- You are flexible and helpful
- You are a sportsperson and/or have a great affinity with sports
- You are a networker, initiator, bridge builder
- You have organizational talent

- You keep an eye on planning and follow-up
- You are good at making contacts
- You have knowledge of elite sports (endurance sports is a plus)

## PROCESS

Applicants will send a cover letter and CV to the Secretary General of Be3 (Dorian Boulvin <dorian.boulvin@triathlon.be>) by March 10. The national manager, both technical directors and the Chairman of Be3 will pre-select the candidates based on the cover letter and CV and then invite the selected candidates for an interview.

## WHAT DO WE OFFER?

You will perform missions for Be3 as a self-employed person and can charge a daily fee. The federation will cover all costs (e.g. accommodation, food, transport) related to the missions. You will be working in a professional elite sports environment with elite athletes competing at the very highest level.
